

The Administration for Children and Families (ACF), Government Contracting Services (GCS) provides top-notch contracting and business advisory support to ensure the compassionate and effective delivery of human services. The nature of these acquisitions consists of a wide range of products and services including education, childcare, emergency response, refugee resettlement, research, and information technology.

GCS manages more than 100 civilian employees with fiscal accountability of nearly 400 contracting actions each year, valued at over \$1.3 billion in FY23. These skilled professionals provide sustained expertise in all areas of contracting to include market research, solicitation development, proposal evaluation, contract negotiation, and contract management. The program also provides guidance on compliance with federal regulations, policies, and procedures related to government contracting.
