¹ This snapshot includes information about all youth who were eligible to take the NYTD survey at ages 17, 19 and 21.

² 'Eligible' participants include all youth reported by the state as in foster care at age 17 at baseline and all youth in the follow-up population at ages 19 and 21 not reported as incarcerated, incapacitated or deceased. 'Participated' includes youth who were reported to have provided at least one valid response to a survey question.

³ 'Other' may include late surveys, Outcome Reporting Status of "participated" but no valid survey responses, or Outcomes Reporting Status had a value of blank or out-of-range.

⁴ Please note that all races are mutually exclusive and exclude children of Hispanic origin. Children of Hispanic ethnicity may be any race.
