Dear Colleagues,

The Office of Community Services (OCS), Division of Social Services (DSS) at the Administration for Children and Families invites you to join the *Post-Expenditure Report Virtual Training Webinar*. This webinar is offered specifically to grant recipients of the Social Services Block Grant (SSBG) and the Consolidated Block Grant (CBG).

SSBG grant recipients are required to submit a Post-Expenditure Report [within six months of the close of each annual reporting period](#). This report details the expenditures of SSBG funds across 29 Service Categories over the past reporting period, including transfer from Temporary Assistance for Needy Families program, and the number of individuals served.

To support grant recipients in this process, the DSS will host a virtual training webinar on **Tuesday, November 19, 2024, from 3:00 PM to 4:00 PM EST**. During the webinar, we will provide an overview of the Post-Expenditure Report form, offer guidance on its completion and submission, and address live audience questions.

There is no registration required for the webinar. The webinar session will be recorded and made available, along with presentation slides, in the 'Resources' section of the SSBG Portal.

Thank you for ongoing collaboration. We look forward to your attendance and participation on Tuesday, November 19, 2024.
