

*LIHEAP Report to Congress for Fiscal Year 2022: Part III. Household Data  
Supplemental Tables: Assisted Households by Vulnerability*

**Table III-8. Percent of Assisted Households with at Least One Member Who is an Older Adult, a Member with a Disability, or a Young Child by Type of Assistance, Nationally, FY 2022<sup>i</sup>**

Type of Vulnerable Household	Heating Assistance	Cooling Assistance	Winter Crisis Assistance <sup>ii</sup>	Year-Round Crisis Assistance	Summer Crisis Assistance	Weatherization Assistance <sup>iii</sup>	Any Type of Assistance <sup>iv</sup>
Older adult	41.8%	44.4%	24.7%	23.7%	26.8%	56.8%	39.9%
Member with a disability	37.5	44.4	29.2	33.1	38.3	36.0	37.0
Young child	17.6	15.4	15.7	31.0	20.7	12.2	17.8
Older adult, member with a disability, or young child	67.1	73.4	50.0	57.1	63.3	76.8	69.6

<sup>i</sup> These data are derived from the *LIHEAP Household Report for FY 2022*. The data in this table are current as of June 30, 2023. (1) Definitions of “older adult,” “member with a disability” and “young child” are as follows: “older adult” refers to a member who is 60 years old or older, “disability” varies from state-to-state, and “young child” refers to a member who is 5 years old or younger. A household could have members that were reported in more than 1 of the 3 groups of vulnerable households. (2) National percentages are calculated for those states that reported complete data, by type of LIHEAP assistance. Table A-1 in Appendix A indicates the percentages of assisted households for which uniform data are provided. Uniform data on households classified as vulnerable was 100 percent for heating, cooling, year-round crisis, and summer crisis assistance. Uniform data for winter crisis assistance was 99.2 percent for the unduplicated count of households with any vulnerable member. Uniform data for weatherization assistance was 96.5 percent for the unduplicated count of households with any vulnerable member. Uniform data for any type of LIHEAP assistance was 93.5 percent for the unduplicated count of households with a vulnerable member.

<sup>ii</sup> 1 state (Wyoming) was unable to provide an accurate unduplicated count of households with any vulnerable member for winter crisis assistance.

<sup>iii</sup> 1 state (Texas) was unable to provide an accurate unduplicated count of households with any vulnerable member for weatherization assistance.

<sup>iv</sup> 2 states (Iowa and New Jersey) were unable to provide an accurate unduplicated count of households with any vulnerable member for any type of LIHEAP assistance.

**Supplemental Table III-8a. Percent of Households Receiving Heating Assistance with at Least One Member Who is an Older Adult, a Member with a Disability, or a Young Child, by State, FY 2022<sup>i</sup>**

<b>State</b>	<b>All Households Assisted</b>	<b>Older Adult</b>	<b>Member with a Disability</b>	<b>Young Child</b>	<b>Older Adult, Member with a Disability, or Young Child</b>
Total	5,129,683	41.8%	37.5%	17.6%	67.1%
Alabama	59,725	45.9	61.5	15.2	80.8
Alaska <sup>ii</sup>	4,117	42.8	27.2	24.1	70.8
Arizona	6,377	34.2	48.3	16.1	70.5

Washington <sup>ii iii</sup>	89,121	41.1	46.2	14.1	73.7
West Virginia	59,194	40.3	55.5	13.1	76.0
Wisconsin	194,705	37.9	39.4	16.0	71.4
Wyoming	8,260	48.8	45.0	13.9	80.0

<sup>i</sup> (1) The data in this table are current as of June 30, 2023. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states.

<sup>ii</sup> Households in winter fuel crisis situations (Alaska, Colorado, Kansas, Massachusetts, and New Hampshire) or year-round fuel crisis situations (Maryland and Washington) received expedited heating assistance.

<sup>iii</sup> The following states provided nominal benefits for SNAP households and reported the number of households assisted. These households are not included in the household counts reported in the table: Connecticut, 97,149 – \$40 benefits; Maine, 6,776 – \$21 benefits; Massachusetts, 142,630 – \$21 benefits; Michigan, 83,181 - \$20.01 benefits; Montana, 1,047 – \$25 benefits or 5 percent of the amount of a regular LIHEAP benefit; New York, 283,512 – \$21 benefits; Oregon, 10,803 – \$21 benefits; Pennsylvania, 301,229 – \$21 to \$24 benefits; Rhode Island, 42,081 – \$20.01 benefits; Washington 212,600 – \$20.01 benefits.

<sup>iv</sup> Counts and the percentage distributions include households that received combined heating and cooling assistance in Nevada and households that received energy assistance in Hawaii, where no differentiation is made between heating and cooling assistance. These states reported these households under heating assistance.

**Supplemental Table III-8b. Percent of Households Receiving Cooling Assistance with at Least One Member Who is an Older Adult, a Member with a Disability, or a Young Child, by State, FY 2022<sup>i</sup>**

<sup>i</sup> (1) The data in this table are current as of June 30, 2023. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states that did not provide separate cooling assistance.

<sup>ii</sup> Counts and percent distributions exclude households that received combined heating and cooling assistance in Nevada; and households that received energy assistance in Hawaii; with no differentiation made between heating and cooling assistance. These states reported these households under heating assistance.

<sup>iii</sup> North Dakota assisted households with non-crisis cooling equipment repair and replacement services using funding obligated to emergency cooling equipment repair and replacement but reported these households under cooling assistance.

Wyoming <sup>iii vii</sup>	7,071	33.9	31.6	4.0	--

<sup>i</sup> (1) The data in this table are current as of June 30, 2023. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that these data are not applicable for states that did not provide separate winter crisis assistance.

<sup>ii</sup> Households in winter fuel crisis situations received expedited heating assistance in Alaska, Colorado, Kansas, Massachusetts, and New Hampshire. In Colorado, Massachusetts, and New Hampshire, funding obligated to these households was reported under heating assistance, but the household counts were reported under winter crisis assistance.

<sup>iii</sup> The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: California (2,556), Colorado (2,448), District of Columbia (123), Illinois (1,213), Indiana (222), Iowa (957), Maine (10), Maryland (850), Michigan (830), Minnesota (4,845), Mississippi (2,036), Missouri ([Emergency Furnace Repair and Replacement – 64] and [Air Conditioner Repair and Replacement – 173]), Montana (785), Nevada (74), New Jersey (6,237), New York (2,198), North Dakota (911), Ohio (179), Oregon (384), Pennsylvania (10,012), Rhode Island ([Emergency Furnace Repair and Replacement – 63] and [Oil Tank Replacement – 144]), South Dakota (622), Texas

(464), Utah (280), Vermont ([Emergency Furnace Repair and Replacement – 471] and [Oil Tank Replacement – 257]), Virginia (2,762), Washington (411), West Virginia (1,402), Wisconsin (322), and Wyoming (293).

<sup>iv</sup> Connecticut provided additional crisis assistance to 16,077 households that received Safety Net Assistance.

<sup>v</sup> Florida provided additional crisis assistance to 705 households that received other crisis assistance, including weather-related assistance.

<sup>vi</sup> Wisconsin provided additional crisis assistance to 8,750 households that received assistance through the Keep WI Warm Fund.

<sup>vii</sup> Wyoming could not de-duplicate their data to provide an accurate count of households with any type of vulnerability for 7,071 households receiving winter crisis assistance. This data is suppressed.

**Supplemental Table III-8d. Percent of Households Receiving Year-Round Crisis Assistance with at Least One Member who is an Older Adult, a Member with a Disability, or a Young Child, by State, FY 2022<sup>i</sup>**

<sup>ii</sup> The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: California (2,556), Colorado (2,448), District of Columbia (123), Illinois (1,213), Indiana (222), Iowa (957), Maine (10), Maryland (850), Michigan (830), Minnesota (4,845), Mississippi (2,036), Missouri ([Emergency Furnace Repair and Replacement – 64] and [Air Conditioner Repair and Replacement – 173]), Montana (785), Nevada (74), New Jersey (6,237), New York (2,198), North Dakota (911), Ohio (179), Oregon (384), Pennsylvania (10,012), Rhode Island ([Emergency Furnace Repair and Replacement – 63] and [Oil Tank Replacement – 144]), South Dakota (622), Texas (464), Utah (280), Vermont ([Emergency Furnace Repair and Replacement – 471] and [Oil Tank Replacement – 257]), Virginia (2,762), Washington (411), West Virginia (1,402), Wisconsin (322), and Wyoming (293).

<sup>iii</sup> Louisiana provided additional crisis assistance to 39,833 households that received COVID-19 Supplemental benefits.

- <sup>iv</sup> Households in year-round fuel crisis situations received expedited heating assistance in Maryland and Washington.
- <sup>v</sup> Minnesota provided additional crisis assistance to 41,563 households that received arrears forgiveness.
- <sup>vi</sup> Nebraska provided additional crisis assistance to 106 households that received unspecified assistance.
- <sup>vii</sup> Nevada provided additional crisis assistance to 86 households through the state's Crisis Intervention program.
- <sup>viii</sup> South Carolina provided additional crisis assistance to 73 households that received window air conditioners or heaters.
- <sup>ix</sup> Washington provided additional crisis assistance to 16,556 households that received other emergency services.

**Supplemental Table III-8e. Percent of Households Receiving Summer Crisis Assistance with at Least One Member Who is an Older Adult, a Member with a Disability, or a Young Child, by State, FY 2022<sup>i</sup>**

<sup>i</sup> (1) The data in this table are current as of June 30, 2023. (2) Older adult is defined as a household member 60 years or older and young child as a household member 5 years old or under. Definitions of “disability” vary among the states. (3) A designation of “--” indicates that the data are not applicable for states that did not provide separate summer crisis assistance.

<sup>ii</sup> The following states provided emergency heating/cooling repairs or replacements to households as part of their energy crisis benefits. These households are not included in the household counts reported in the table: California (2,556), Colorado (2,448), District of Columbia (123), Illinois (1,213), Indiana (222), Iowa (957), Maine (10), Maryland (850), Michigan (830), Minnesota (4,845), Mississippi (2,036), Missouri ([Emergency Furnace Repair and Replacement – 64] and [Air Conditioner Repair and Replacement – 173]), Montana (785), Nevada (74), New Jersey (6,237), New York (2,198), North Dakota (911), Ohio (179), Oregon (384), Pennsylvania (10,012), Rhode Island ([Emergency Furnace Repair and Replacement – 63] and [Oil Tank Replacement – 144]), South Dakota (622), Texas (464), Utah (280), Vermont ([Emergency Furnace Repair and Replacement – 471] and [Oil Tank Replacement – 257]), Virginia (2,762), Washington (411), West Virginia (1,402), Wisconsin (322), and Wyoming (293).

<sup>iii</sup> Florida provided additional crisis assistance to 705 households that received other crisis assistance, including weather-related assistance.
